In An All American Town, John Barr tells the harrowing and inspiring story of the young gymnasts who survived the sexual abuse of Larry Nassar, the former team doctor for USA Gymnastics.

For decades, Nassar was revered as a world-renowned physician who helped young gymnasts achieve their dreams. But behind closed doors, he was a serial predator who used his position of trust to abuse hundreds of young women.

Barr's book tells the story of the gymnasts who came forward to expose Nassar's crimes, and the courageous fight they waged to hold him accountable. He also examines the systemic failures that allowed Nassar to abuse so many young women for so long.

An All American Town is a powerful and important book that sheds light on one of the darkest chapters in American sports history. It is a story of courage, resilience, and the power of speaking out.

### **Praise for An All American Town**

"An All American Town is a must-read for anyone who cares about the safety of children. John Barr tells the harrowing story of Larry Nassar's abuse in a way that is both compassionate and unflinching. This book is a powerful indictment of the systems that allowed Nassar to abuse so many young women for so long."

**- Ronan Farrow, Pulitzer Prize-winning journalist and author of *Catch and Kill***

"An All American Town is a devastating and necessary account of the sexual abuse scandal that rocked the world of gymnastics. John Barr's reporting is meticulous and his writing is both powerful and compassionate. This book is a must-read for anyone who wants to understand the full scope of this tragedy."

**- Jessica Luther, investigative reporter for *The Indianapolis Star***

"An All American Town is a triumph of investigative journalism. John Barr has uncovered the truth about Larry Nassar's abuse and the systemic failures that allowed him to operate for so long. This book is a powerful indictment of the culture of silence that surrounds sexual abuse, and it is a must-read for anyone who wants to understand this important issue."

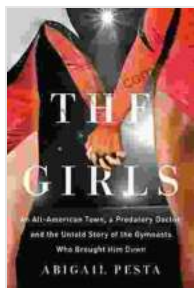

**- Jodi Kantor, Pulitzer Prize-winning journalist and author of *She Said***
