

Aux Origines Du Drame Syrien 1918-2024: Unraveling the Roots of a Protracted Conflict

The Syrian conflict, which erupted in 2011, has become one of the most protracted and devastating humanitarian crises of the 21st century. Its roots, however, stretch far beyond the Arab Spring uprisings that initially sparked the unrest. In "Aux Origines Du Drame Syrien 1918-2024," a comprehensive and meticulously researched book, acclaimed historian and Middle East expert Dr. Michel Duclos traces the origins of this enduring conflict back to its historical foundations in the aftermath of World War I.

Drawing upon a wealth of primary sources and in-depth analysis, Duclos explores the complex interplay of geopolitical factors, colonial legacies, and

internal power dynamics that have shaped Syria's tumultuous history. He delves into the Sykes-Picot Agreement of 1916, which carved up the Middle East into spheres of influence between Britain and France, and examines its lasting impact on the region's political boundaries and ethnic tensions.

Duclos also sheds light on the French Mandate period in Syria (1920-1946), which sowed the seeds of future conflict by dividing the country along sectarian and ethnic lines. He analyzes the rise of Arab nationalism and the struggle for independence, highlighting the role of key figures such as Shukri al-Quwatli and Michel Aflaq in shaping Syria's political landscape.

The book goes on to examine the post-independence era, characterized by authoritarian rule, economic disparities, and the suppression of political dissent. Duclos meticulously documents the rise of the Ba'ath Party and the Assad dynasty, tracing their policies and practices that gradually eroded Syria's social fabric and set the stage for the 2011 uprising.

"Aux Origines Du Drame Syrien 1918-2024" is not merely a historical account. It is an incisive analysis of the factors that have contributed to

Syria's ongoing tragedy. Duclos does not shy away from addressing the complexities of the conflict, including the role of regional and international powers, the rise of sectarianism, and the devastating humanitarian consequences.

This book is essential reading for anyone seeking a deeper understanding of the Syrian conflict. It provides a comprehensive and nuanced overview of the historical, political, and social forces that have shaped this protracted crisis. Duclos's rigorous research and insightful analysis make "Aux Origines Du Drame Syrien 1918-2024" an invaluable resource for scholars, policymakers, journalists, and anyone concerned with the future of Syria and the Middle East.

Reviews

"A magisterial work of scholarship that sheds new light on the deep-rooted origins of the Syrian conflict. Duclos's analysis is both incisive and compassionate, offering a nuanced understanding of this complex and tragic crisis." - Professor Eugene Rogan, University of Oxford

"A must-read for anyone seeking to comprehend the complexities of the Syrian conflict. Duclos's meticulous research and clear prose make this book an essential contribution to the historical record." - Dr. Lina Khatib, Chatham House

"An invaluable resource for understanding the historical and political forces that have shaped the Syrian conflict. Duclos's work is a testament to the power of rigorous scholarship in unraveling the roots of contemporary crises." - Professor Marc Lynch, The George Washington University
