

Creating New Civility: A Blueprint for Restoring Social Harmony and Reclaiming Our Values

Reclaiming Civility in an Era of Discord

In recent years, our society has become increasingly polarized and divided. Civil discourse has given way to incivility, disrespect, and even violence. This alarming trend threatens the very fabric of our society, making it more difficult to solve problems, build consensus, and create a just and equitable world.

But there is hope. In *Creating New Civility*, renowned author and social activist Dr. Judith Martin offers a timely and practical roadmap for restoring social harmony and reclaiming our values.

A Blueprint for Restoring Civil Behavior

Drawing on her decades of experience in conflict resolution and social etiquette, Dr. Martin provides a comprehensive framework for creating a more civil society. She identifies the root causes of incivility and offers evidence-based strategies for addressing them.

Creating New Civility covers a wide range of topics, including:

- The importance of empathy and perspective-taking
- Effective communication skills for resolving conflicts
- The role of social media in shaping our interactions
- Strategies for promoting civility in schools, workplaces, and communities

Hope for a More Harmonious Future

Throughout the book, Dr. Martin provides inspiring stories of individuals and communities who are working to create positive change. These stories demonstrate that incivility is not inevitable and that we can create a more civil society if we work together.

Creating New Civility is an essential read for anyone who is concerned about the state of our society and who wants to make a difference. It is a powerful call to action that provides hope for a more harmonious future.
