The book is divided into four parts. The first part, "The Early Years," examines the origins of Zionism and the establishment of the State of Israel. The second part, "The State of Israel," examines the political and social development of Israel since its independence. The third part, "Israeli Society," examines the social and cultural aspects of Israeli society. The fourth part, "Israeli Foreign Policy," examines Israel's relations with its neighbors and the international community.

The essays in this book provide a comprehensive overview of the history, politics, and society of Israel. They are written by leading scholars in the field, and they offer a unique perspective on the complex and fascinating country of Israel.
