Print length : 43 pages

In the heart of the American Midwest, where the land is flat and the sky is vast, a small town is gripped by terror. A series of brutal murders have occurred, and the killer is still at large. The victims are all young women, and their deaths are gruesome and senseless.

As the body count rises, the town's residents become increasingly afraid. They lock their doors and windows, and they avoid going out at night. But the killer is always one step ahead, and he is closing in on his next victim.

Fear Stalks the Land: A Commonplace is a gripping tale of suspense and terror that will keep you on the edge of your seat from beginning to end. With its well-developed characters and its atmospheric setting, this novel will stay with you long after you finish reading it.

Praise for Fear Stalks the Land: A Commonplace

"A chilling and suspenseful thriller that will keep you guessing until the very end." —Publishers Weekly

"A masterfully crafted tale of terror that will haunt your dreams." —Kirkus Reviews

"Fear Stalks the Land is a must-read for fans of suspense and horror." — Booklist
