When I say "I do," I mean it. I mean it with every fiber of my being. I mean it for better or worse, for richer or poorer, in sickness and in health. I mean it until death do us part.

But what happens when the person you swore to love forever breaks your heart? What happens when the love you thought was unbreakable shatters into a million pieces?

In *From My Side of the Bed*, Jane Doe shares her raw and honest journey through love, loss, and rebuilding a life after heartbreak. With unflinching honesty, Jane explores the complexities of love, the pain of loss, and the strength it takes to pick up the pieces and move on.

From My Side of the Bed is a story of love, loss, and hope. It is a story of resilience and strength. It is a story that will resonate with anyone who has ever loved and lost.
