This book is a comprehensive account of the combat between Hungarian and Soviet soldiers on the Eastern Front during 1941. It is based on extensive research, including interviews with veterans from both sides, and provides a unique insight into this little-known aspect of World War II.

The book begins with a brief overview of the political and military situation in Europe in 1941. It then examines the Hungarian and Soviet armies in detail, including their organization, equipment, and tactics. The book then provides a detailed account of the combat between these two armies on the Eastern Front during 1941, from the initial German invasion of the Soviet Union to the end of the year.

The book is illustrated with numerous photographs, maps, and diagrams. It also includes a number of appendices, including a glossary of terms, a chronology of events, and a list of further reading.

Hungarian Soldier vs Soviet Soldier: Eastern Front 1941 Combat is a valuable resource for anyone interested in the Eastern Front during World War II. It provides a unique insight into the combat between these two armies and is a must-read for anyone interested in this period of history.
