- Identify covert control tactics
- Counter covert control tactics
- Conquer covert control

Covert control is a form of manipulation that is often used by people who are in positions of power. It can be very difficult to identify, and even more difficult to counter.

This book will give you the tools you need to protect yourself from covert control. You will learn how to identify the signs of covert control, and how to

develop the skills you need to counter it.

If you are in a relationship with someone who is using covert control, this book can help you to break free. You will learn how to set boundaries, and how to assert yourself.

This book can help you to take back your life from covert control. You will learn how to:

- Identify the signs of covert control
- Develop the skills you need to counter covert control
- Set boundaries
- Assert yourself
- Break free from covert control

If you are ready to take back your life, this book is for you.
