In this groundbreaking book, author Tom Doyle reveals the hidden history and prophetic future of the Middle East, and offers a vision for peace and reconciliation based on the biblical principle of blessing Ishmael.

Drawing on extensive research and personal experience, Doyle argues that the conflict in the Middle East is not simply a political or military struggle, but a spiritual battle between two sons of Abraham: Isaac and Ishmael. For centuries, the descendants of Isaac (the Jews and Christians) have been blessed, while the descendants of Ishmael (the Muslims) have been cursed. This curse has led to generations of conflict and violence.

However, Doyle believes that there is hope for reconciliation. He points to the biblical prophecy that Ishmael will be blessed in the last days. This

prophecy indicates that God has not forgotten Ishmael, and that he desires to restore his blessing to him.

Doyle argues that the key to Middle East revival is to bless Ishmael. This means recognizing the rights of the Palestinians, supporting the development of the Arab world, and building bridges of understanding between Muslims and Christians.

Let Ishmael Live is a must-read for anyone who is interested in the Middle East conflict and wants to find a solution to the violence and suffering. Doyle offers a unique perspective on the region's history and future, and he provides a compelling vision for peace and reconciliation.

## **Table of Contents**

- Chapter 1: The Hidden History of the Middle East
