## **Mysticism and the Tarot**

Mysticism, an ancient tradition that seeks to attain direct communion with the divine, has long been intertwined with the practice of tarot card reading. The cards serve as tools for introspection, providing a glimpse into the subconscious mind and facilitating a connection to higher realms.

Qabalah, a mystical system that originated in ancient Hebrew tradition, provides the underlying framework for the Knapp Hall Tarot. The Qabalistic

Tree of Life, a diagram that represents the emanation of the divine into the material world, serves as the foundation for the deck's structure.

Each card corresponds to a specific sphere or path on the Tree of Life, revealing the cosmic correspondences associated with the card's meaning. This intricate system of symbolism allows us to delve into the profound depths of Qabalistic knowledge and explore the interconnectedness of all things.
