*Principia Ethica* is divided into three parts. Part I introduces the basic concepts of ethics, such as morality, values, and obligations. Part II examines the different ethical theories that have been proposed throughout history. Part III applies these theories to a variety of real-world ethical dilemmas.

**Part I: The Basics of Ethics**

In Part I of ***Principia Ethica***, Letherer defines ethics as "the study of right and wrong." She then discusses the different types of moral theories, such as deontology, utilitarianism, and virtue ethics. Letherer also examines the role of values in ethical decision-making and the different ways in which we can justify our moral beliefs.

## Part II: Ethical Theories

In Part II of ***Principia Ethica***, Letherer examines the different ethical theories that have been proposed throughout history. She begins with a discussion of classical Greek ethics, such as the ethics of Plato and Aristotle. She then moves on to modern ethical theories, such as utilitarianism, Kant's ethics, and virtue ethics. Letherer provides a clear and concise overview of each theory, and she identifies the strengths and weaknesses of each approach.

## Part III: Applying Ethical Theories to Real-World Dilemmas

In Part III of ***Principia Ethica***, Letherer applies the ethical theories discussed in Part II to a variety of real-world ethical dilemmas. She examines issues such as abortion, euthanasia, and the death penalty. Letherer also discusses the ethical challenges posed by new technologies, such as artificial intelligence and genetic engineering.

***Principia Ethica*** by Tammy Letherer is a comprehensive guide to ethical reasoning that provides a clear and systematic framework for understanding and evaluating moral dilemmas. This book is an essential resource for anyone who wants to develop a strong foundation in ethics.

## About the Author

Tammy Letherer is a professor of philosophy at the University of California, Berkeley. She is the author of several books on ethics, including **Principia Ethica** and **The Ethics of Artificial Intelligence**.
