## **A Groundbreaking Collection of Essays**

In this groundbreaking collection of essays, leading scholars explore the complex and ever-changing relationship between race, ethnicity, and nationhood. Drawing on a wide range of disciplines, including history, sociology, political science, and cultural studies, the contributors offer new insights into the ways that race and ethnicity have shaped the course of human history.

The essays in this volume cover a wide range of topics, including:

- The historical origins of race and ethnicity
- The impact of race and ethnicity on social and political institutions
- The role of race and ethnicity in cultural identity
- The future of race and ethnicity in a globalized world

This essential volume is a must-read for anyone interested in the complex and enduring legacy of race and ethnicity in human society.
