

We Are Still Here: A Haunting and Moving Memoir of Resilience in the Face of Adversity

We Are Still Here is a powerful and moving memoir that tells the story of a young woman's journey to overcome adversity and find hope in the darkest of times. Born into a family of Holocaust survivors, the author was raised in the shadow of her parents' trauma. As a result, she struggled with anxiety, depression, and suicidal thoughts from a young age.

But despite the challenges she faced, the author never gave up hope. She found strength in her family, her friends, and her own indomitable spirit. In this beautifully written and deeply personal memoir, the author shares her story in the hopes of inspiring others who are struggling with adversity.
