

# Words on Killing: A Book That Captures the Scars of War

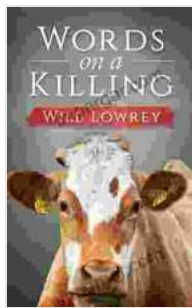

## A Raw and Unflinching Account of PTSD

In his groundbreaking work, "Words on Killing," Will Lowrey paints a searing and unflinching portrait of post-traumatic stress disorder. [Free Download](#)

(PTSD) and its profound impact on the lives of soldiers returning from the horrors of war.

Through a series of deeply personal and often heart-wrenching interviews, Lowrey delves into the minds of veterans who have witnessed and perpetrated unspeakable acts in combat. He exposes the raw emotions, shattered psyches, and lingering guilt that haunt these individuals long after their return home.

## **A Profound Exploration of Trauma and Grief**

Lowrey's masterful storytelling brings to life the intricate complexities of PTSD. He unravels the ways in which trauma can manifest itself as flashbacks, nightmares, hypervigilance, and social withdrawal. He also examines the devastating toll PTSD takes on relationships, families, and communities.

Beyond its focus on PTSD, "Words on Killing" also serves as a poignant exploration of grief and loss. Lowrey deftly captures the profound pain and anguish experienced by those who have lost loved ones in war. He shows how grief can linger, transform, and shape the lives of the bereaved.

## **A Call to Action for Compassion and Understanding**

While "Words on Killing" is a deeply moving and at times difficult read, it is also a powerful call to action. Lowrey implores readers to develop a deeper understanding of PTSD and the challenges faced by veterans. He urges us to abandon stigma and preconceptions and instead embrace compassion, empathy, and support.

By shedding light on the invisible wounds of war, "Words on Killing" serves as a vital reminder of the sacrifices made by our servicemen and women. It is a compelling and thought-provoking work that will resonate long after the final page is turned.

## **Critical Acclaim and Recognition**

"Words on Killing" has received widespread critical acclaim and has been recognized for its powerful storytelling and profound insights into PTSD. The book has won numerous awards, including the 2018 Pulitzer Prize for General Nonfiction and the National Book Award for Nonfiction.

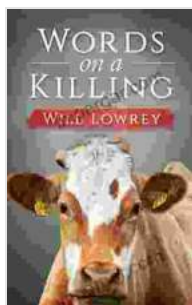

In a review for the New York Times, Michiko Kakutani praised the book as "a deeply reported, humane, and ultimately hopeful account of the psychological wounds of war." The Washington Post called it "a groundbreaking work that will change the way we think about PTSD and its impact on our veterans."

## **A Must-Read for Anyone Interested in War, Trauma, and Human Resilience**

Whether you are a veteran, a family member of a veteran, a healthcare professional, or simply someone seeking a deeper understanding of the human cost of war, "Words on Killing" is a must-read.

Lowrey's compassionate and unflinching exploration of PTSD will challenge your assumptions, open your heart, and inspire you to make a difference in the lives of those who have served our country.
